

2010 Equipment Operator's Rodeo

Registration Packet

The **FOURTH ANNUAL ALTEC EQUIPMENT OPERATOR'S RODEO** will be held on Friday, April 9, 2010, as a part the **EIGHTH ANNUAL GAFF-n-GO LINEMAN'S RODEO AND EXPO** on April 9 and 10, 2010, at The Meadow Event Park (home of the Virginia State Fair) in Doswell, Virginia.

Today's lineman/equipment operator is a multi-talented professional working in a dangerous environment that requires consistent work practices and a constant focus on safety.

The **ALTEC EQUIPMENT OPERATOR'S RODEO** will bring you together with the latest tools, equipment, materials, and methods used in the electric industry. The focus will be on the safe operation and effective implementation of power equipment in the field of line construction.

The **ALTEC EQUIPMENT OPERATOR'S RODEO** will provide you the opportunity to compete in a challenging environment demonstrating the skills that are required in your everyday work. Stay ahead of the pack, maintain your physical and mental skills, and keep abreast of the latest technology. Show the world a small part of what today's lineman/equipment operator is all about!

Join us in the heart of central Virginia for the opportunity to meet and compete with the best of the best. Bring the family and enjoy an action packed weekend.

The **ANNUAL ALTEC EQUIPMENT OPERATOR'S RODEO** attracts the best linemen/equipment operators from the east coast to compete. A maximum of 25 teams from Cooperatives, Investor-Owned Utilities, Municipals and Contractors will fill out the competition.

Sunday, April 11, 2010

Lineman's Day at Kings Dominion (Discount tickets can be picked up at registration.)

Registration

In order to ensure your name is included in the Rodeo Program, please have your entry form and fees returned by March 12, 2010. If you miss the March 12th date, you can still compete. Just return your entry forms before March 19. We will accept check, VISA or MasterCard for entry fees.

RODEO registration check in will be held in the Virginia Farm Bureau Center of the The Meadow Event Park (home of Virginia State Fair) in Doswell, Virginia, on Friday, April 9, from 10:00 a.m. to 11:30 p.m.

Teams - A team consists of three participants in any combination of equipment operators, apprentices, and journeymen. First, second and third-place winners will receive prizes and awards at the Awards Banquet Saturday evening, April 10, 2010.

Judges

The **ALTEC POWER EQUIPMENT SAFETY RODEO** is new and expected to grow so rapidly that we are asking for your help in judging. If you are or ever were a qualified practicing, working lineman/equipment operator, you are eligible to be a judge. When you volunteer to be a judge, it is important to attend the Judges Meeting at 10:00 a.m. on Friday, April 9, before the rodeo. In this meeting, each event is reviewed and final instructions are given so that our judging can be fair and consistent.

The teams in the rodeo have spent many hours preparing to compete and deserve dedicated judges interested in fair and consistent judging. Please review the list of items below to see what is expected and needed to participate as a judge.

1. Prior experience in the electrical trade.
2. Attend the Judges Meeting on Friday.
3. Wear Hard Hats.
4. Wear Long Pants.
5. Wear Hard Sole Shoes.
6. Foul Weather Gear is not required; however, it is a good idea to be prepared as the rodeo goes on rain or shine.

Judges will receive lunch on Friday and an Awards Banquet ticket, where they will receive recognition for their contribution.

We need and welcome judges from all participating companies and locals. Please use the Judges Registration Form to volunteer for judging. Thank you for your support!!

QUESTIONS AND ANSWERS

Where do the linemen/equipment operators have to be employed?

Any operating utility and/or contractor.

How much does it cost to enter?

The equipment operators' rodeo cost is \$350 per team if paid by March 1 and \$375 after March 1. Teams can consist of three participants in any combination of equipment operators, apprentices, and journeymen or one groundman and two apprentices or two journeymen. (Participants in the Gaff-n-Go Rodeo will not pay an additional fee for this event.)

Will any events be aerial buckets?

Yes.

Will we have to sign a liability release?

Yes.

A First Aid Station and Paramedic will be on the Rodeo Grounds.

Will there be seating for family members and spectators?

You are encouraged to bring lawn chairs since seating is not available at the rodeo site. There will be no natural shade at The Meadow Event Park.

Concession stands will be set up with soft drinks and food.

All participants should check in on Friday, April 9, from 10:00 a.m. to 11:30 p.m. at the Virginia Farm Bureau Center of The Meadow Event Park. (All three team members must be present to sign waivers and receive rodeo packet.)

Will video footage be allowed to settle judging disputes?

No.

Do alternates get free admission to the buffet?

No. The standard admission pre-purchase applies.

Unloading tools and parking:

Parking will be available at The Meadow Event Park. If you need to unload equipment when arriving at the grounds, parking assistants will direct you. You should arrive by 10 a.m. to unload equipment and tools.

Who may protest a call?

The team must be the one to protest a call. Help from spectators in a protest will result in the team being disqualified. No team will be allowed to protest another competitor.

SCORING

Scoring will be judged for:

- Safety.
- Work practice.
- Neatness and ability.
- Equipment handling.
- Timely completion of the event.

Time will be used only to break a tie.

Total number of events for each team: 3

The events must be completed in the order shown on your schedule. Each event must be marked complete by an event judge before you can start the next event.

The winning team will be determined by the total number of deductions. In the event of a tie, the winner will be determined by the total time to complete all events. Bonus points will not be added for winning or placing in an event.

Scoring Verification

Teams are encouraged to verify the scores that are input into the scoring system. The results will be available at the command center after a team completes all their required events. The final score and team standings will not be available at the Rodeo Event. All final scores and event standings will be revealed at the Awards Presentation following the competition.

Tools

Each contestant needs to bring their own hooks, belt, hard hat, safety glasses, cotton or flame-retardant long-sleeved shirt, hand tools, 20KV rubber gloves, protectors, hand lines, hood bag, and line hose bags. Rubber gloves may be inspected in all events, as required. Velcro straps on climbers must be used as manufactured. No modifications, such as cutting the Velcro shorter, are allowed. In general, no tool modifications are allowed.

All teams must use the Bashlin #35 handline hook. The handline (or pulley line) must have a sheave in it and must have an approved “becky” for hanging on the pole. An approved “becky” consists of an eye plaited into the sheave, another eye on the other end to snap back into the sheave, and three loops for adjustment of length.

In all events the last person who comes down the pole must be the one to drop the handline.

Please make sure that your tools are clearly marked with your name for identification.

Each event is worth a total of 100 points. All safety rules are to be observed during the events. See the following list for point deductions:

Infractions – 2 Point Deduction

- Late for event.
- Lose hardhat.
- Wearing hardhat backwards.
- Not wearing safety glasses.
- Improper cover-up – i.e. No rubber on reach, fall or slip.
- Dropping tools.
- Cutouts, burnouts, or slips.
- Operation of hand line while team is climbing.
- Misuse of tools.
- Misuse of rubber.
- Failure of Groundman to wear work gloves.
- Twisted hand line operation.
- Not wearing OSHA approved lineman belt or harness.
- Poor housekeeping.
- Exceeding the mean time to complete an event, except for hurt man rescue and pole climb. The mean time will be given for all mystery events.
- Failure to wear long sleeved shirts. If shirt has buttons on the sleeves, they must be buttoned, not pushed or rolled up.
- Exposed blade on skinning knife.
- Safety strap not being under control. Both snaps of the safety strap must be hooked in a ‘D’ ring while climbing the pole. The safety strap may be carried on the shoulder, but if it should slide off the shoulder, the contestant will receive a 2-point deduction.
- Hanging tools on phase conductors, neutrals, cross arms or safety straps.

General Rules – 10 Point Deduction

- Accidental contact with phases.
- Working opposite phases at the same time.
- Not using hand line or bucket for sending material up or down pole.

Disqualification

- Unprofessional behavior.
- Practicing on the Rodeo field prior to the Rodeo.
- Intentional sabotage or tampering with materials, tools or equipment on the Rodeo field.
- Unapproved use of alternates or changing status of team members during the events. See Master Judge for approved use of alternates or changes in team status during Rodeo.
- Protests made by someone other than contestants.
- Modifying rubber gloves in any way.

Team Tool Inspection **(Applies to both competitions)**

Random tool inspections will be done throughout the day to check for safe condition and alterations of tools such as:

- Tape on Straps.
- Tapered cuts on straps.
- Buckles filed.
- Fingers cut out of gloves – Rubber gloves will be inspected at each climbing event for Journeyman. (A team will be disqualified for modifying rubber gloves in any way.)
- Elongated holes in straps and belts.
- Improper gaff length.
- Penalty for altered tools – 2 to 10 points as determined by the judge.

The points will be deducted from the event that the team is competing in at the time the altered tool is discovered.
